School of Science and the Environment, Grenfell Campus, Memorial University Per Course Instructors: Fall 2023 semester

The School of Science and the Environment (Grenfell Campus), invites applications from individuals interested in teaching the following graduate and undergraduate courses, as listed below, required for the Fall 2023 semester.

Subject to budgetary restrictions and sufficient enrolments, appointments will be made on a course by course basis and will not entail any obligation to conduct research or to perform any administrative service for Memorial University. Appointments will be made in accordance with the provisions in the MUN-LUMUN Collective Agreement. Course design and evaluation methods for all courses will be in accordance with the School of Science and the Environment, and regulations and the Memorial University Calendar.

To apply for this position please submit a curriculum vitae and cover letter electronically **via email** to:

Dr. Morteza Haghiri, Interim Dean
School of Science and the Environment, Grenfell Campus – Corner Brook, NL
Tel: (709) 637-7166 / email: ssedean@grenfell.mun.ca

All qualified candidates are encouraged to apply; however, Canadian citizens and permanent residents will be given priority. Memorial University of Newfoundland is committed to employment equity and encourages applications from qualified women and men, visible minorities, aboriginal people and persons with disabilities.

We thank all applicants in advance and advise that only those selected for an interview will be contacted.
