

Activity Title: Promo Science Program

Validator Name: Dr. Svetlana Barkanova

Validator Email: sbarkanova@grenfell.mun.ca

Validator Phone Number: (709) 639-2508

Department Organization: School of Science and the Environment (Physics)

Activity Category: Campus and community engagement

Activity Description:

Dr. Svetlana Barkanova is looking for individuals to join her Promo Science Team. Each year presentations have been given on Campus, which included Grenfell's observatory. However, due to the current COVID situation all presentations will have to be conducted remotely via zoom or a similar platform. This educational program is to bring knowledge and information to Intermediate and High School Students on the West Coast of NL.
