

Supervisor Signature Page

This page must be completed by the principal supervisor and uploaded to the attachments tab of all student and postdoctoral fellow applications. Forms may be scanned or signed using an electronic signature.

As the **PRINCIPAL SUPERVISOR** of this project, my signature confirms that:

- I have reviewed and approved the scholarly and/or scientific merit of the research project.
- I have reviewed, provided feedback, and approved this application for ethics review.
- I will provide the necessary research ethics training and supervision to the researcher throughout the project to ensure that all procedures will be conducted in accordance with the TCPS2 (2014) and all relevant University, provincial, national, or international policies and regulations that govern research involving human participants. I understand that as the principal supervisor, I am responsible for the ethical conduct of the research, and the protection of the rights and welfare of human participants.
- I will ensure that any deviation from the project as originally approved will be submitted to GC- REB for approval prior to its implementation, and any occurrence of adverse event(s) will be reported to GC- REB immediately.
