Nurses are front line health care providers. Few careers are more rewarding or more challenging. Working as a part of an inter-professional health care team, nurses deal with life and death situations everyday. Apply now: grenfell.mun.ca/apply
As a nurse you’ll become an integral member of the largest and most influential group of health care providers. Your nursing skills will be in high demand. You will help improve the lives of individuals, families and entire populations, changing the lives of people in all corners of the world.

YOUR STUDIES
There are two options for completing a nursing degree: the four-year option and the accelerated three-year option.

IT’S INTERACTIVE
Your studies will provide you with a solid foundation that you will build upon by working with real clients both in hospital and community settings. To enhance your knowledge, we offer diverse learning opportunities through Practice Education (both hands-on and via simulation), laboratory and state-of-the-art simulated experiences. Your hands-on practical education experiences will allow you to explore an area of nursing that most interests you, in almost any participating health-care facility in the country.

IT’S DIVERSE
The health of a population is a web of interconnected factors. You will develop a holistic approach to clients, communities and populations at large. You will learn the knowledge and skills required to care for a variety of clients in many diverse settings; preparing you to meet the challenges of health care on a global level.

IT’S ESTABLISHED
Western Regional School of Nursing has graduated more than 2000 nurses over the last 50 years. As the role of nurses has evolved so too has the program offered in partnership with Grenfell Campus. In fact, Western Regional School of Nursing has received 3 seven-year accreditations from the Canadian Association of Schools of Nursing and approvals from the College of Registered Nurses of Newfoundland and Labrador.

IT’S PERSONAL
At Grenfell, your professors will know you by name. Our low student-instructor ratio ensures that your learning will be personal and relevant. With just over 1,300 students on campus, you’ll make real connections with your classmates and become an important part of the Grenfell community.

IT’S AFFORDABLE
You’ll enjoy the lowest tuition rate in English-speaking Canada. The provincial government gives high priority to education, providing extensive funding to Memorial University. This commitment allows us to provide an affordable, yet high-quality, post-secondary education.
Nursing is expected to be one of the top in-demand professions for the next 10 years.
WHAT YOU’LL NEED

The selection process for nursing is limited and competitive. Apply to the four-year program

**PRE-REQUISITES:**
- Biology 2201 and 3201 or equivalent
- Chemistry 3202 or equivalent
- English 3201
- Math 3200 or 3201
- A social science or modern language (two credits at the 3000 level)

Apply to the accelerated option if you have completed a minimum 60 credit hours in university level courses. Courses must include 12 credit hours from the following list:

**PRE-REQUISITES:**
- 3 credit hours in Anthropology, Archaeology, or Sociology
- Biochemistry 1430 or equivalent
- Biology 3053 or equivalent
- 6 credit hours in Critical Reading and Writing (CRW) designated courses in English
- Psychology 1000 or equivalent
- 3 credit hours in Philosophy, or Religious Studies 2610; Statistics 2500 (or Statistics 1510, 2550, Education 2900, Psychology 2910, 2925), or a statistics course acceptable to the Faculty.

Each of these courses must be completed for the degree. Any of the courses listed above not completed prior to admission must be completed during the sequence of the program.

- High school chemistry 3202, or equivalent
- High school math 3200 or 3201, or equivalent
- 6 university credit hours in English with a critical reading and writing designation
- 3 university credit hours in sociology, anthropology, or archaeology
- University psychology 1000, or equivalent

**HOW TO APPLY:**
1. Submit a general application to Memorial University (with the appropriate application fee)
2. Submit a nursing application (no fee required), personal statement and references.

If you are missing a requirement or are transferring from another post-secondary institution email info@grenfell.mun.ca or nursingadmissions@mun.ca or call (709) 864-2403 for more information.
