GRENFELL CAMPUS
MEMORIAL UNIVERSITY

WELCOME. BIENVENUE. PJILA’SÍ.
Corner Brook is a small city in picturesque western Newfoundland with a regional population of about 40,000 people. Our seasons are marked with stunning autumn colours, snowy winters and mild, breezy summers.

We’re small but we have big personality. We’re a thriving theatre and visual arts community. Or you can take a stroll downtown for shopping, nightlife and dining. When you need to unwind, play in one of the city’s many sports clubs or check out the nearby civic centre which is home to hockey rinks, a fitness centre and walking tracks. The beautiful Corner Brook Stream Trail offers close to 20 km of paths throughout the city, ideal for hiking and snowshoeing, while our extensive bike trail is perfect for mountain biking. Are you an adrenaline junkie? We’re a hub of adventure year round. There are areas to ski, snowboard, rock climb, hike and zipline. And it’s all close to campus, ready for you to explore!

And just 15 minutes from campus is Marble Mountain, 1,700 feet of top-notch skiing and snow-boarding. A 60 minute car ride away is Gros Morne National Park, a UNESCO World Heritage Site with marine inlets, rich forest and a glacier-carved fjord.

TRANSFER APPLICANTS transferring from recognized post-secondary institutions are required to be in good standing at the end of their final semester at their former institution.

PROOF OF ENGLISH PROFICIENCY is required for select international students applying for admission. Applicants who are required to submit proof of English proficiency must submit official scores from authorized testing authorities such as TOEFL or IELTS. Students who do not meet the necessary English proficiency scores for admission to undergraduate study should apply to Grenfell’s English as a Second Language Program.

These programs are for students who do not meet the necessary English proficiency requirements for admission to undergraduate study. The Intensive English Bridge Program at Grenfell prepares students for the language demands of undergraduate study in English and allows them to earn undergraduate credit at the same time.
